

## 11<sup>th</sup> ANNUAL O'CONNOR GROUP GOLF CLASSIC

The Sioux Falls offices of O'Connor Company, G & R Controls and Balancing Professionals, Inc. hosted the 11th Annual O'Connor Group Golf Classic. Our thanks to the employees, manufacturers and customers whose efforts and generosity made this event a success!

This year's event began on July 31, 2008 with a Cocktail/Social Hour at the Homewood Suites and was attended by a variety of O'Connor Group personnel, manufacturers representatives and customers. The golf outing was held on August 1, 2008 at Willow Run Golf Course. The day was enjoyed by 126 golfers!

To add to the fun, we held a putting contest, with 50% of the proceeds going to the winner, Kyle Groos (O'Gorman High School) and 50% to St. Francis House. Also, proceeds from the sale of "Mulligans" were donated and some unclaimed "Calcutta" winnings were added to the pot, making our total contribution to this very worthy cause... \$770!
