

## **12<sup>th</sup> ANNUAL O'CONNOR GROUP GOLF CLASSIC**

The Sioux Falls offices of O'Connor Company, G & R Controls and Balancing Professionals, Inc. hosted the another successful golf tournament. Thanks to the employees, manufacturers and customers for their efforts and generosity!

This year's event began on July 30, 2009 with a Cocktail/Social Hour at the Homewood Suites and was attended by a variety of O'Connor Group personnel, manufacturer representatives and customers. The golf outing was held on July 31, 2009 at Willow Run Golf Course. The day was enjoyed by 137 golfers!

To add to the fun, we held a putting contest, with 50% of the proceeds going to Rick Ames (Tessier's) and 50% to Operation Cares/Opening Doors. Also, proceeds from the sale of "Mulligans" were donated and a portion of the "Calcutta" pot, making our total contribution to this very worthy cause... \$1,000!
